what you thought was boutique isn't.
THIS IS BOUTIQUE.

The ELYSIUM by Elixir Cruises

THE ELYSIUM AT A GLANCE

Never before has there been a truly boutique cruise ship dedicated to a synergy of wellbeing and deeply experiential voyages.

Your time on board the Elysium will be nothing short of spectacularly unique, nothing like you have ever experienced before on a cruise.

A fusion of relaxation, wellness, learning, discovering and fun.

Sail the Greek seas of ancient mythological creatures and Gods, while you re-invent yourself. Visit pristine coves and beaches only accessible by small boat, discover one of the oldest civilisations in the world, learn a new craft, have a massage, meditate at sunset, enjoy a glass of chilled wine, hike a volcano, fish with locals, snorkel, stargaze, read a book. You decide. Greece awaits to soothe your soul and excite your senses aboard the Elysium.

With only 25 luxuriously cocooning staterooms, a spa, a gym, a deliciously healthy Mediterranean cuisine, an array of unparalleled cultural experiences and carefully designed wellness activities, the Elysium will pamper you, spoil you and transform you forever.
